Thank you for your interest in volunteering with the Center for Student Missions d/b/a City. Service. Missions (CSM). Given the outbreak and continued spread of coronavirus disease 2019 ("COVID-19") in the United States, please read this COVID-19 Trip Participant Acknowledgement and Waiver (the "Waiver") carefully. Your signature and acceptance of this Waiver (and your parent or guardian's signature if you are under 18 years of age) is required before you will be permitted to serve with CSM.

1. In light of the ongoing spread of COVID-19, individuals who fall within any of the categories below are not permitted to serve with CSM at this time. Your signature and acceptance of this Waiver constitutes your acknowledgement that you do not fall into any of the following categories:
  - a. Individuals who currently or within the past fourteen (14) days have experienced any symptoms associated with COVID-19, which include fever, cough, or shortness of breath;
  - b. Individuals who have traveled at any point in the past fourteen (14) days either internationally or to a community in the U.S. that has experienced or is experiencing sustained community spread of COVID-19; or
  - c. Individuals who believe that they may have been exposed to a confirmed or suspected case of COVID-19, or have been diagnosed with COVID-19 and are not yet cleared as non-contagious by state or local public health authorities.
2. The U.S. Center for Disease Control ("CDC") has stated that COVID-19 spreads mainly between people who are in close contact with one another and through respiratory droplets produced when an infected person coughs or sneezes and, therefore, the CDC has recommended that people practice "social distancing" by remaining at least six (6) feet from other people during the COVID-19 outbreak. The CDC has further stated that older people, as well as people of all ages who have a severe underlying health condition (such as, heart disease, lung disease, asthma, HIV, or diabetes) appear to be at a higher risk of developing a serious COVID-19 illness. Your signature and acceptance of this Waiver constitutes your acknowledgment that you are in good physical health and have no physical condition which prevents you from safely serving with CSM.
3. Because the CDC has stated that a fever is one of the three most common symptoms of COVID-19, CSM may, in its sole discretion, conduct temperature checks of the individuals who are serving with CSM, including its staff, in an effort to identify individuals who may be infected with COVID-19. Individuals who have body temperatures at or above 99 degrees Fahrenheit will be asked by CSM to leave and not return until they have been COVID-19 symptom-free for at least fourteen (14) days. Your signature and acceptance of this Waiver constitutes your consent to CSM's temperature check policy, which may be amended from time to time, in its sole discretion.
